ORDER

The Appellant has filed an application addressed to the Registrar praying to list the matter at the earliest possible.

Heard the counsel for the Appellant and the respondent present today.

The present matter has been scheduled to be listed before the Registrar for completion of pleadings on 01.12.2022. The service in the matter is complete and the respondents were granted time to file their replies.

Ld. counsel for the Appellant submitted that similar issues raised in the present appeal have been settled by the Hon'ble Supreme Court of India in a separate matter and requested to post the matter before Hon'ble Bench C-II at an early date.

Pleadings qua R-3 is complete.

Learned Counsel for Respondent No. 3 opposed the above submission of the Appellant counsel on the grounds that it will have to be examined whether the terminology used by the Hon'ble Supreme Court is applicable to the present matter or not and the same will require more time to examine.

None of the remaining respondents except R-3 have appeared till date.

Furthermore, the present matter is scheduled for 01.12.2022 before the registrar which is just thirteen days away, hence, in the interest of justice, this court cannot force the respondents to complete the pleadings before the time that they have already been granted. Hence, the application for early listing before the registrar is denied.

List the matter on the scheduled date, i.e., ***01.12.2022*** for the purpose already fixed.
