

HIGH COURT OF ANDHRA PRADESH AT AMARAVATHI

MAIN CASE No.W.P.No.11693 of 2022

PROCEEDING SHEET

Sl.No	DATE	ORDER	Office Note
	11.05.2023	<u>RRR, J</u> <u>I.A.No.1 of 2023</u> The applicants herein have filed the present implead petition seeking to implead themselves as respondents 4 to 8. The writ petition has been filed seeking an injunction against the official respondents from interfering with their possession and proposing to lay a cement concrete road on the private land of the petitioners. The implead petitioners contend that they also use the same path/road to go to their houses and that they also have a claim over the said road/path and any determination as to the nature of the said road/path would, adversely affect their interests. The writ petitioner has filed a counter affidavit stating that the implead petitioners have no right or title over the road/path. The writ petitioner strongly objects to the present application. The claim of the implead petitioners is that they also use the same road for ingress and egress to their residences.	

		In such circumstances, it would be appropriate to permit them to be impleaded. However, this order shall not be taken to mean that the contentions of the implead petitioners have been accepted. The said contentions shall be left open for decision in the main writ petition. Learned counsel for the petitioner to carryout necessary amendments. RRR, J <u>W.P.No.11693 of 2022</u> Post on 04.07.2023 for reply. RRR, J Js.
