Respondents

Petition under Article 226 of the Constitution of India praying that in the circumstances stated in the affidavit filed therewith, the High Court may be pleased to issue an appropriate writ more in the nature of Writ of Mandamus declaring the action on the part of the 2nd and 3rd Respondents, in not allowing the Petitioner-Institution to participate in the online EDCET 2022 counseling scheduled from 01-11-2022 to 03-11-2022 for Bachelor of Education Courses in the State on certain hyper-technical grounds on the premise that recognition afforded to the Petitioner-Institution has been withdrawn by the 5th Respondent SRC oblivious of the fact that the Appellate Authority i.e. the 4th Respondent NCTE, New Delhi has yet to dispose of the Appeal filed by the Petitioner-Institution challenging such orders as being arbitrary, illegal, unwarranted and violative of Articles 14, 19 and 300-A of the Constitution of India and violative of the National Council for Teacher Education Act and the Rules framed thereunder and consequently direct the Respondents to permit the Petitioner Institution to participate in the counseling scheduled to start from October, 2022 for Bachelor of Education Course offered by it.

IA NO: 1 OF 2022

Petition under Section 151 CPC praying that in the circumstances stated in the affidavit filed in support of the petition, the High Court may be pleased to direct the Respondents to permit the Petitioner Institution to participate in the EDCET 2022 counseling which will commence from 01-11-2022 for Bachelor of Education Course offered by it, pending disposal of WP No.35195 of 2022, on the file of the High Court.

The petition coming on for hearing, upon perusing the Petition and the affidavit filed in support thereof and the earlier Order of the High Court dated 31.10.2022 made herein and upon hearing the arguments of Sri Mathukumilli Sri Vijay Advocate for the Petitioner, GP for Higher Education for the Respondent No.1, Smt. S. Paranita, Standing Counsel for the Respondent Nos. 2 & 3, Sri V.Hemant Kumar, Standing Counsel for the Respondent Nos. 4 & 5, Sri K.Dhananjaya Reddy, Standing Counsel for the Respondent No.6, the Court made the following

COMMON ORDER:

“Heard Sri Sri Vijay Mathukumilli, learned Counsel for the Writ Petitioners; Sri.T.Niranjan, learned Standing Counsel for Yogi Vemana University; Sri K. Dhanunjaya Reddy, learned Standing Counsel for Aadikavi Nannayya University; Sri Butta Vijaya Bhaskar, learned Standing Counsel for Sri Venkateswara University; Sri K. Ram Babu, learned Standing Counsel for Nagarjuna University and Smt.S.Parineeta, learned Standing Counsel for A.P State Council of Higher Education.

2. This batch of Writ Petitions is coming up before the Court, where admissions into B.Ed Colleges are under consideration by this Court.

3. On perusal of the Affidavits filed in several Writ Petitions, it transpires that the schedules fixed for Inspection, the dates of Inspection, the manner in which the Inspection Committees are constituted, the Reports made by the Inspection Committees, directions issued by the Universities for compliance of deficiencies vis-a-vis Inspection Report submitted by the Inspection Committees, re-verification by the Inspection Committees whether the deficiencies earlier pointed out in their Report are complied with or not, are all in variance from University to University. But one activity is common that is in respect of admissions through Common Entrance Tests.

4. The admissions are conducted by the respective Conveners. Such Conveners are usually appointed by Andhra Pradesh State Council of Higher Education (APSCHE). The Conveners so appointed by APSCHE fixes the time schedules for inviting Applications, conduct of Common Entrance Examinations, issuance of dates for various stages of counseling etc.,.

5. More often than not, the schedules fixed by the respective Universities for Inspection of various colleges, submission of Reports, dates fixed for compliance, various schedules required for compliances of various deficiencies were all at variance from University to University.

6. Finally, in the observation of this Court, the various Universities which are giving various dates/schedules in the process of Inspections and determination of Affiliations are unable to cope-up with the dates issued by the respective Conveners for Common Entrance Examinations, as the admissions are administered commonly for all the Colleges under various Universities at one time.

7. This Court has noticed that some Universities which have fallen behind in conduct of Inspections and ensuring curing of all deficiencies by the respective Affiliated Colleges, are initiating actions, detrimental to the interest of Institutions, as belatedly as being initiated just before the commencement of the admissions or otherwise. Various Orders are passed by the respective Universities either under zero admission category for the academic year or reduction of class strength or complete disaffiliation. While these punitive and drastic steps are being taken on dates which are very very close to the dates announced by the Conveners of Common Entrance Examinations just before the admissions, these are causing not only great hardship to

the Institutions but also flooding this Court with Writ Petitions seeking various reliefs at the nick of time.

8. On consideration of these issues, this Court has suggested to the APSCHE as well as to the Universities, in the best interest of students, all the Universities, under the supervision of APSCHE shall have a common schedule for initiating the process for Inspection, which would commence with the constitution of various Committees, setting dates for the Committees to physically inspect the Institutions, preparation and submission of Inspection Report pointing various deficiencies, granting time to the Institutions to cure the deficiencies, directing the same Inspection Committee to physically inspect the College to verify whether the deficiencies pointed-out earlier were rectified or not and finally the Universities to take a call whether a particular Institution can be granted/renewed Affiliation for the following academic year or not. Although these exercises are conducted by the respective Universities, when it comes to the matter of admission, it is a common date which all the Institutions affiliated to various Universities will have to follow, and therefore, there is a serious concern to see to it that all Universities would follow one common date for each and every step that is required.

9. This Court has also suggested to the learned Counsel for Writ Petitioners as well as the learned Standing Counsel appearing for various Universities and also to the learned Standing Counsel for the APSCHE that in order to streamline the process and in order to rationalize the various schedules undertaken by independent Universities with that of the schedules of Common Entrance Examinations that would be conducted by the Convener each year, they should come out with suggestions indicating particular schedules which the respective Universities would adhere to such schedules scrupulously from year to year.

10. It is also contemplated that adherence to one single schedule will not only bring in more orderliness in the process of Inspections and also in the process of admissions, it would also bring in more consistency in the curriculum schedule for the students while pursuing their careers. The Court suggested these aspects keeping in mind the paramount concern that it has for the students undergoing various courses and to see to it that there is consistency and definiteness in every schedule.

11. In view of these observations made by this Court, this Court deems it appropriate to direct the APSCHE to call a meeting with the Vice Chancellors and

Registrars of all the Universities to discuss and come out with a common schedule for the following:

- a) For Inspections, submission of Inspection Reports pointing-out deficiencies, curing of such deficiencies by the respective Colleges and second physical inspection only to verify whether the defects pointed out earlier are cured or not and the final decision of the College.
- b) To ensure rationalization between the schedules fixed by the Convener of Common Entrance Examinations with that of final decision taken by the respective Universities in Affiliation or Disaffiliation of respective Colleges.
- c) The APSCHE will also consider imposing penalties of monetary nature in place of Disaffiliation, zero year category or reduction of seats.

12. The APSCHE shall file an Affidavit within two weeks indicating the final outcome of final discussion. The APSCHE is free to call the Vice Chancellors and Registrars of various Universities either for physical participation or online as per its convenience.

12. List these matters on 15.03.2023."
