MAIN CASE No.W.P.No.9440 of 2023

PROCEEDING SHEET

Sl. No	DATE	ORDER	Office Note
01	17.04.2023	<u>RRR, J</u> The petitioner claims ownership and possession of Ac.7.18 cents of land in Sy.No.24-2A2, Polatitippa Village, Machilipatnam Mandal, Krishna District. This land is now sought to be acquired for the purposes of distribution of the said land as house site pattas. It appears that the petitioner has raised objections to the notification issued under Section 11 of the Right to Fair Compensation and Transparency in Land Acquisition, Rehabilitation and Resettlement Act, 2013. The petitioner has now approached this Court as he apprehends that possession of his land would be taken over without completing the acquisition process and without payment of compensation. He is also aggrieved by the non-consideration of his objections as to the acquisition itself. The learned Government Pleader for Revenue, on instructions, submits that objections raised by the petitioner have already been placed before the District Collector for adjudication. She would also submit that the primary objection raised by the petitioner is that his name has not been shown as the owner and possessor of the said	Contd...

		land and steps are now being taken to ascertain the facts. She would further submit that necessary action for rectification of the notification etc., would be taken upon the verification of the facts and that the objections of the petitioner would be considered. Post on 14.06.2023. In the meanwhile, no steps would be taken against the petitioner until and unless the objections filed by the petitioner are considered and appropriate orders are passed in accordance with law and after payment of compensation, if it is found that the petitioner is entitled to such compensation. Needless to say, the petitioner shall co-operate with the respondent authorities for conducting necessary survey to ascertain the ownership and extent of land available with the petitioner.
