(Application for filing additional document)

It is represented that, except for Annexure A-4, all the other documents form part of the original proceedings before the Commission, and are now sought to be brought on record. Ms. Tanya Sareen, learned Counsel for the 2nd Respondent, states that not all the documents now filed

formed part of original proceedings before the Commission. The original documents, which formed part of proceedings before the Commission, shall be taken on record as they appear not to have been filed earlier by oversight.

Liberty is granted to the Appellant to move a fresh application to receive the additional documents sought to be filed as Annexure A-4, as it is now sought to be introduced for the first time in these appellate proceedings. The application is disposed of accordingly.
