ORDER

IA-52/2025

(For condonation of delay in filing the Appeal) (129 days)

While the Registry records the delay to be of 129 days, Mr. Harshvardhan Singh, Learned Counsel for the Appellant, submits that, if the period spent in prosecuting the Review Petition is excluded, then there is actually no delay. The order under appeal was passed on 19.07.2024, against which the Appellant had preferred the Review Petition on 30.08.2024. The said Review Petition was eventually dismissed on 27.11.2024 and, within 45 days thereafter, the Appellant has filed the present appeal on 09.01.2025. Ordinarily, the period spent in prosecuting the Review Petition is required to be excluded in computing the delay in filing the appeal. If so excluded, there appears to be no delay. In any event, this application is not opposed by Learned Counsel for the Respondents. The delay is, accordingly, condoned and the IA is disposed of.

DFR-11/2025

Six weeks' time is granted to file reply. Rejoinder, if any, may be filed within four weeks thereafter.

After pleadings are complete, Registry to verify the same, and then include the Appeal in the '**List of Finals**', to be taken up from there in its turn.
