ORDER

It is pointed out by Mr. Amal Nair, learned Counsel for the 2nd Respondent, that the present appeal is filed only against the order passed by the Respondent Commission rejecting the review petition, and no appeal has been preferred against the original order.

In terms of Order 47 Rule 7(1) CPC, no appeal lies against an order passed by the Commission rejecting the Review Petition; and the Appellant's remedy if any, after the Review Petition is dismissed, is to challenge the original order against which review was sought, along with an application to condone the delay in filing the appeal there against. Leaving it open to the Appellant, if they so choose, to file an appeal against the original order, the present appeal, filed against an order passed by the Commission rejecting the Review Petition, is dismissed as not maintainable.
