ORDER

IA No. 1238 of 2025
(for modification of order)

In this application, the Appellant states that they had, by oversight, failed to bring to the notice of this Bench, when the matter was heard on 11.08.2025, that this Tribunal had, by its order dated 31.07.2025, extended the trigger date only till the intervening night of 12/13.08.2025; and since the appeal has been adjourned from 11.08.2025 to 19.08.2025, the Appellant runs the risk of power being regulated on the intervening night of 12/13.08.2025.

Since the I.A for interim relief has been heard in part, it would be inappropriate not to extend the trigger date till hearing of the IA stands completed.

We consider it appropriate, in such circumstances, to extend the trigger date till the intervening night of 26/27.08.2025.

The application is, accordingly, disposed of.
