IA NO. 435 OF 2019

[For Interim Relief]

This application has been pending for the last three years but not pressed. Having regard to the issues raised by the main appeal, we are not inclined to consider any interim relief. The application is disposed of with these observations.

APPEAL NO. 97 OF 2019

The short issue agitated by this appeal, as submitted by the learned counsel appearing for the appellant, is the rejection of the review petition on ground of limitation finding the delay of 53 days in the same being presented to be unexplained and unreasonable. The issue being narrow, we were

inclined to hear on the main appeal today but the second respondent, which only seems have filed reply to the appeal to contest, is not present.

Be listed before us for final hearing on **28.04.2022**.

Meanwhile, written submissions as well as soft copies of the pleadings must be filed by all sides well in advance.
