IA NO. 2256 OF 2019

[Appl. for Interim Relief]

The digital copies of the record have not been submitted in spite of communication by the Registry and yet the application for interim relief is pressed. Having heard the learned counsel for the appellant, we find no merit in the application. The penalty imposed against the first respondent was not upheld by the State Commission. In these circumstances, the application for interim relief is dismissed.

APPEAL NO. 44 OF 2021

From the submissions made, we find the issue lying in a very narrow compass. On joint request, we direct this appeal shall be included in the list of 'Short Matters' to be taken up for hearing in its turn from there.

Meanwhile, written submissions along with digital copies of the pleadings must be filed by all sides well in advance.
