ORDER

The matter is listed before us since the defects pointed out by the Registry were not cured for the past 87 days. Mr. Shiva Krishnamurthy, learned Counsel for the Appellant, seeks further time to cure the defects. While we are of the view that the request for further time may not be justified, we give the Appellant one last chance to cure the defects on or before 29.04.2025, on condition that the Appellant pays cost of Rs.10,000/- (Rupees ten thousand only) to the Central Transmission Utility of India Limited (CTUIL) before 29.04.2025 and files proof of payment in the

Registry within two weeks thereafter. Failure to pay the costs and cure the defects by 29.04.2025 and submit proof of payment within two weeks thereafter, shall result in automatic rejection of the appeal, without any further reference to the Bench.
