COURT-1

IN THE APPELLATE TRIBUNAL FOR ELECTRICITY
(Appellate Jurisdiction)

DFR No : 261 of 2025 & IA No. 1121 OF 2025

Dated: 30th October, 2025

Present: Hon`ble Mr. Justice Ramesh Ranganathan, Chairperson
Hon`ble Mr. Ajay Talegaonkar, Technical Member (Electricity)

In the matter of:

Andhra Pradesh Power Development Company Limited (APPDCL)	....	Appellant(s)
Versus		
Andhra Pradesh Electricity Regulatory Commission & Ors.	....	Respondent(s)

Counsel on record for the Appellant(s) : Nishant Sharma
for App. 1

ORDER

This Appeal is listed before us since the Appellant has failed to cure the defects pointed out by the Registry. Though the Appellant was intimated of the defects more than three months ago, they are yet to cure the defects resulting in the Appeal being kept pending without being listed for admission for an unduly long duration. Except to state that they would cure the defects within one week, no explanation is forthcoming from Mr. Nishant Sharma, Learned Counsel appearing on behalf of the Appellant as to why the defects have not been cured till date, necessitating the matter being listed before us today, and our being forced to spend precious court time for hearing this matter instead of adjudicating the main Appeal on merits. We consider it appropriate in such circumstances, while granting the Appellant one week's time finally to cure the defects, to direct that, in case the defects are not cured latest by 06.11.2025, the Appeal shall be returned by the Registry to the Appellant without any further reference to this Bench.
