ORDER

Mr. Manu Seshadri, Learned Counsel for the Appellant, would submit that two issues i.e. issues relating to additional surcharge and CTU charges are covered by the Judgement of this Tribunal in Appeal No. 218 of 2015 dated 31.10.2025. Mr. Shri Venkatesh, Learned Counsel for the 1st Respondent-Commission and Mr. Aditya K. Singh, Learned Counsel for the 2nd Respondent, would fairly state that these two issues are covered by the Judgement of this Tribunal in Appeal No. 218 of 2025 dated 31.10.2025.

Learned Counsel for the Respondents would, however, contend that other issues may necessitate adjudication. Since there cannot be a partial setting aside of the final order passed by the Commission in appeal, Mr. Manu Seshadri, Learned Counsel for the Appellant, would submit that it would suffice if this Tribunal, while disposing of the appeal itself after setting aside the order of the Commission on the aforesaid two issues, grant the Appellant liberty to file a separate appeal with respect to the other issues.

In the light of the aforesaid submissions urged on behalf of the Appellant, the Impugned Order passed by the Meghalaya State Electricity Regulatory Commission is set aside in accordance with and in terms of the order of this Tribunal, in Appeal No. 218 of 2025 dated 31.10.2025, on the issues of additional surcharge and CTU charges. Liberty is granted to the Appellant to file a separate Appeal on the other issues raised by them in their Appeal.

The Appeal, and all the IAs therein, stand disposed of accordingly.

Technical Member (Electricity)
