ORDER

It is submitted by the Learned Counsel for the Respondents that the directions given in the judgment in Appeal No. 197 of 2019 dated 02.08.2021, which are sought to be executed by way of this Execution Petition, have to be computed by the individual generators who are the beneficiaries of the judgment. Learned Counsel for the Execution Petitioner submits that the computation has already been made by the individual

generators on the basis of which invoices have been raised by the generators in terms of the judgment in question.

It appears that the computation so made by the individual generators is not acceptable to the Respondents and payments have not been made. In order to cut short the controversy, we direct the Execution Petitioner to submit the computation to the independent agency ie POSOCO which will verify the computation and submit a report to this Tribunal in pursuance of which further directions would be issued on the next date of hearing.

The Execution Petitioner shall submit such computation to the POSOCO within one week from today and the POSOCO shall verify the same within two weeks thereafter after taking into account response of the Respondent Nos. 2, 3 and 4.

Mr. S. Vallinayagam, Learned Counsel for the Respondent Nos. 3 and 4 submits that some of the Execution Petitioners were not the members of the Association i.e. National Solar Federation of India on the date of filing of the petition before the Commission. This submission is refuted by the Learned Counsel for the Execution Petitioner. Both the parties may submit their respective affidavits in this regard before the next date of hearing. This aspect also be considered on the next date.

Post the matter on **17.04.2026.**
