ORDER

IA No. 644 of 2024
(For Directions)

The above said IA is filed for recalling our order dated 14th March, 2024 wherein the Appeal was moved to the “List of Finals” due to non-presence of the arguing Counsel. After hearing the arguing counsel for the Appellant for sometime that the matter is short and there is some urgency as shown by him, we modify our earlier order to the extent that the appeal will remain in the “List of Short Matters” as was decided earlier.

Registry is directed to include the matter in the “List of Short Matters” to be taken up there from its turn and delete it from the “List of Finals”.
