ORDER

We are of the view that, since the parameters stipulated in Order 41 Rule 27 CPC as also the question whether a plea of inadvertence would suffice to permit amendment of the pleadings at the appellate stage are required to be considered, both these IAs should be taken up for hearing along with the main Appeal. Let the IAs be listed along with the main appeal.

Reply shall be filed by the Respondents within six weeks and rejoinder, if any, shall be filed within four weeks' thereafter.

After pleadings are complete, Registry to verify the same and include this Appeal along with both the IAs in the 'List of Finals' to be taken up from there, in its turn.
