ORDER

By way of this Review Petition, the Review Petitioner has sought review of the judgement of this Tribunal dated 24th June, 2025 passed in

Appeal Nos. 116 & 177 of 2023 which had been preferred against the orders dated 11th June, 2022 and 29th August, 2022 passed by the Commission in Petition Nos. 9/TT/2021 & 583/MP/2020 respectively.

We have heard Mr. Arijit Maitra, Learned Counsel for Review Petitioner for sometime. It is his submission that one of the grounds upon which the Review Petitioner has assailed these two orders of the Commission was that Review Petitioner was not heard before passing these orders by the Commission and ,therefore, these are in violation of the principle of natural justice but the said ground has not been either taken note of or dwelled upon by this Tribunal while passing the judgement dated 24th June, 2025.

During the course of hearing, it transpired that the copies of these impugned orders have not been filed along with the petition. Therefore, the petitioner is directed to file the copies of these two impugned orders as well as copies of the written submission which he has filed in these two appeals.

Meanwhile, Learned Counsel for Respondent Nos. 2 & 4 are also directed to file a short note with regards to the grounds raised in this Review Petition by the Review Petitioner.

Post the matter for further hearing on **26.05.2026.**
