ORDER

IA-1692/2025

(For condonation of delay in filing the Appeal) (138 days)

While the delay, as recorded by the Registry, is of 138 days in filing the appeal, Mr. Akash Kishore, Learned Counsel for Applicant-Appellant would

submit that, in case the period spent by the Appellant in prosecuting the review petition is excluded, then the delay is of around 36 days.

The order, impugned in this appeal, was passed on 13.05.2025 and the Appellant filed a review petition there against on 11.07.2025, well within the period stipulated for filing the review petition. The said review petition was, eventually, dismissed on 06.10.2025, and the Appeal came to be filed on 12.12.2025. Ordinarily the period spent by the Appellant in prosecuting the review petition is required to be excluded in computing the delay. If so excluded, and since the appeal was instituted on 12.12.2025, the delay in filing the present appeal would be of around 36 days. The said delay is not so inordinate as to non-suit the Applicant-Appellant on the ground of delay. The delay is condoned and the IA is disposed of.

Reply shall be filed within six weeks, and rejoinder shall be filed within two weeks thereafter.

Post the IA for hearing on ***21.04.2026.***
