ORDER

IA NO. 1946 OF 2022

[For condonation of delay in filing appeal]

The present appeal has been preferred both against the original order and the order passed in review. The original order was passed by the State Commission on 06.07.2021. Aggrieved thereby, the Appellant filed a review petition which was eventually dismissed by the State Commission on 28.04.2022. A certified copy of the review order is said to have been received on 29.06.2022. From that date, the appeal was required to be filed latest by 10.11.2022. The present appeal was filed on 21.11.2022. As the delay is actually of around 10 days, we see no reason to non-suit the appellant on this score. The delay is condoned. The application is disposed of.

DFR NO. 498 OF 2022

Mr. M.T. George, learned Counsel for the 2nd Respondent, states that they do not wish to file any reply. Let this appeal be included in the 'List of Finals' to be taken up from there in its turn.
