ORDER

IA NO. 356 OF 2025

(For condonation of delay of 53 days in filing review petition)

This application is filed seeking condonation of delay of 53 days in filing the Review Petition. The explanation furnished for the delay is of administrative reasons which does not constitute sufficient cause for condonation. We are, however, of the view that the delay is not so inordinate as to justify denying the Appellant an opportunity of having their Petition heard on merits, albeit on imposition of costs. We therefore, direct that the delay of 53 days in filing the Review Petition be condoned on condition that the Petitioner pays costs of Rs.20,000/- (Rupees Twenty Thousand only) to the Central Transmission Utility of India Limited (CTUIL) within four weeks from today, and files proof of payment in the

Registry within two weeks thereafter. Subject to compliance with the aforesaid directions, the delay is condoned.

The Appellant shall also intimate the CTUIL of the Review Petition No. and the date of the Order, in terms of which costs are being paid.

DFR NO. 85 OF 2025

It is represented that the review petition is filed against the order passed by Court-II. Since this review petition is required to be heard by the very same bench, after pleadings are complete, let the review petition be listed before Court-II on **01.07.2025**.
