ARIF S. DOCTOR, J.**

DATE : 04th OCTOBER 2023

P.C. :

Heard the learned Counsel for the parties.

2. The challenge in this batch of Writ Petitions is to two Notings dated 18th July 2022 and 21st July 2022 issued by the Chief Secretary of the State Government. The Petitioners have also prayed for issuance of directions to the concerned Respondents to undertake and execute the works in respect of which the administrative sanctions were granted prior to the issuance of Notings dated 18th July 2022 and 21st July 2022.

3. So far as the validity of the Notings dated 18th July 2022 and 21st July 2022 is concerned, these Notings have been quashed by this Court in several Writ Petitions. One of such order is dated 03rd March 2023 passed by a Coordinate Bench of this Court at Aurangabad in Writ Petition No.9421 of 2022 and connected matters. Accordingly, in respect of the present batch of Writ Petitions as well, the Notings issued by the Chief Secretary of the State Government, dated 18th July 2022 and 21st July 2022 stand quashed.

4. It has been informed by the learned Advocate General that in due course of time, in respect of several projects, where administrative sanctions were granted prior to issuance of the Notings dated 18th July 2022 and 21st July 2022, on review, the projects have been continued. The learned Advocate General has produced before this Court one Notice/Circular dated 29th September 2023 whereby the stay on the projects/works proposed after 1st April 2021 has been withdrawn and it has also been provided that the Administrative Departments shall now be required to review all the individual

development works and take further steps to continue the work as per the available budgetary provisions and approval of the competent authority, in respect of which guidelines shall be issued separately. The Notice/Circular dated 29th September 2023 is taken on record and is marked as 'X'.

5. In view of the said Notice/Circular issued by the Chief Secretary, dated 29th September 2023, so far as the Writ Petitions where decision has been taken to continue execution of the works, are concerned, have been rendered infructuous. However, once a review of any particular project is carried out in terms of the Notice/Circular of the Chief Secretary dated 29th September 2023 and the old project is not revived or it is cancelled, in such matters, the Petitioners may have cause of action to challenge the non-revival or cancellation of the projects. In view of the aforesaid, we dispose of this batch of Writ Petitions with the following orders/directions :-

- (i) The Notings dated 18th July 2022 and 21st July 2022 issued by the Chief Secretary, State Government stand quashed.

- (ii) In terms of the Notice/Circular dated 29th September 2023, in case after review, any individual project pertaining to any individual department is cancelled, it shall be open to the respective Petitioner/s to challenge such action by taking recourse to any legal remedy, which may be available to him/them including filing of a Writ Petition under Article 226 of the Constitution of India.
- (iii) Disposal of this batch of Writ Petitions by this order shall not be understood to have a sanction of the Court upon the power of the review of the State Government in respect of the administrative/otherwise sanction accorded to any project.
- (iv) We make it clear that we have not made any observations on the merit of the issue as to whether the Government in such matters does or does not have power to review.

6. In view of the above, all the Writ Petitions stand disposed of accordingly.

7. In view of disposal of the Writ Petitions, the Interim Applications, if any, do not survive and the same are also disposed of.
