Order of The Tribunal

Heard learned counsels for the parties.

When the matter has been taken up for consideration, we came to know from the reply of the respondents, which was filed on 14.09.2012, that the applicants who have approached this Tribunal in the earlier round of litigation wherein their relief is rejected and against the same, the applicants and others have approached the Hon'ble High Court in WPMP No.43284/2016 in WPSR No.18769/2016 and another WPMP No.43353/2016 in WPSR No.188166/2016.

When we have gone through the OA pleadings, there is no whisper about what for applicants approached this Tribunal and the Tribunal rejected their claim; the same has been challenged before the Hon'ble High Court by way of filing these Writ Petitions.

It is also to be noted that the respondents, by filing a reply, were specifically aware that there were no such vacancies in the DP quota for the period from 2005 to 2013. Therefore, the applicant was posted on adhoc basis w.e.f. 25.02.2005 for a period of one year. On the basis of the

doc seniority list, they were reverted back, and the respondent department has not utilized their service on adhoc basis. Thereafter, they were regularized to the post of Programme Executive w.e.f. 28.11.2013. Therefore, the applicant has no right to claim the regularization of adhoc service from the retrospective date 25.02.2005. All these facts have not been reported by the applicants; then, on the facts of record, there is suppression of material record from this Tribunal by the OA that cannot be dismissed on this count alone.

Further, we directed the respondents to file Additional Affidavit and to bring all these documents on record as referred to in their reply.

List the matter on 03.03.2025.
