Order of The Tribunal

(Common order)

Heard in part.

It was brought to the notice of us by Mrs.Shameena Salahudheen, learned counsel for the applicants in O.A No.787/2014 and other connected matters, that all her clients belong to Group D Post and by virtue of interim orders passed during the pendency of the O.As and proceedings which arose out of it, the mutual transfers were effected and her clients took charge at their respective Stations. On completion of their tenure at that Station, they were further transferred.

The applicant in O.A 838/2014 has since retired. An M.A was filed for getting his terminal benefits. An interim order was passed by us on 15.7.2022.

However, a common issue that arises in O.A Nos.787/14, 788/14, 789/14 and 838/14 is that though the applicants got relieved from their respective post, they took charge at the respective Stations, by virtue of the interim order, one month thereafter. That one month period which is yet to be regularised. That means the only surviving grievance of applicants in these four O.As relates to this. This includes the applicant in O.A 838/2014, whose terminal benefits have not yet been paid since this period has not yet been regularised.

The concerned ACGSC shall get instructions as to how this period can be regularised and whether it can be taken note of for their pensionary benefits. A statement regarding the above period shall be filed by the ACGSC on or before the next date of posting.

For further hearing, list on 31.10.2022 as part-heard.

Issue a copy of this order to learned counsel for the respondents.
