**CS(OS) 266/2016**

As per record, fresh/proper List of Witnesses in the prescribed format filed by the defendant, is on record. It is stated by learned counsel for the defendant that as per the List of Witnesses filed by the defendant, the defendant only wants to examine DW1 i.e. Mr. Rajesh Kumar Goyal and other witnesses are only the summoned witnesses.

The matter is listed today for cross-examination of Mr. Rajesh Kumar Goyal (DW1). However, adjournment is sought by learned counsel for the defendant on the ground that the witness is not present today as he has undergone surgery recently on 14.11.2023 and has been advised bed rest. He submits that he has also filed medical documents in this regard.

In view of above, no adverse order is being passed today and the matter stands adjourned.

Re-notify the matter for recording of evidence of DW1 on 28.03.2023.
