**IA No.23191/2023 under Section 5 of Limitation Act  
moved by the petitioner seeking condonation of delay  
in filing reply to Affidavit of Assets**

Heard. In view of reasons mentioned in the application, the captioned IA stands allowed to the extent that the delay, if any, in filing reply by the petitioner is condoned and the same is taken on record.

At this stage, it is brought to my notice that reply filed by the petitioner is not on record. So, the petitioner is directed to take requisite steps expeditiously to bring the same on record. Accordingly, the captioned IA stands disposed of.
