1. IAIR No.1088/2024 is filed by the applicant in SA for modification of conditional order dt.13.03.2024 in IA 567/2024 by changing the condition to deposit the amount to a 'no-lien account'. Registry took objection.

2. The petition shall have to be decided on merits on hearing both sides. Hence maintainable. Registry is directed to number the petition, if otherwise in order.

3. Place before me on 23.04.2024 after numbering.
