

(J.O. WB01222)

The record is put up by a petition filed by Ld. Advocate of the complt.

Ld advocate for the complainant files another petition U/S 257 Cr.P.C. praying for permission to withdraw the case.

Heard the Ld. Counsel for complainant. Perused the petition and the case record. The Complainant voluntarily filed the petition and praying for withdrawal . In my opinion there is no legal impediment to allow the petition. Further proceeding of the case will yield no fruitful result.

As such the prayer of the complainant is allowed. Let the case be withdrawn u/s 257 Cr.P.C. as per prayer of the complainant. Accordingly the accused persons are acquitted. Recall process if any.
