the prior notice to general public / victim has been already issued as per the SOP provided by the Government of Assam in connection to the withdrawal of this case but today the victim/informant side did not appear to raise any objection against the proposed withdrawal.

Perusal of the case record reveals that this is a summon procedure/ petty offence case and the offence report in this case has been submitted u/S **177** of MV Act against the accused and at present this case is pending at the stage of appearance.

I have duly verified the materials on record of this case and after considering the fact and circumstances of this case as well as the fact that the instant withdrawal petition has been filed by the learned Addl. PP after attaining the General Authority from the Government of Assam vide. Letter No. ECF No.-217405/2022/67 Dated: 9th December, 2022, I deem it fit to hold that this case is a fit case to be withdrawn by prosecution. Accordingly, the prosecution is allowed to withdraw this case under section 321 of Cr.PC.

Now, since this is a summon procedure/petty offence case, the

withdrawal petition has been allowed in this case therefore, the above named accused person is acquitted from the aforestated charges as per section 321(b) of Cr PC.

The instant case is accordingly disposed of on withdrawal u/s 321 of Cr.PC. Let the Process of Court (i.e., Summons/BWA/NBWA/P&A) pending for service to accused/ witness/ any other individual, before the concerned Police Station, if any, be recalled since this case has already been allowed to be withdrawn.
