The petitioners are aggrieved by the manner in which the representation of the petitioners have been considered by the Deputy Chief Engineer (Civil)/Environment and Heritage, K.M.C.

The said officer has referred the matter to the Executive Engineer (Civil)/E&H to place the entire matter before the Water Body Management Board (WBMB) to deal with the disputed issue.

The petitioners assert that the said body does not exist at all in the eye of law.

Learned advocate representing the Corporation is directed to produce documents in support of the existence of the WBMB.

Let the matter appear in the list on 30th April, 2024.
