Although we are aware of the fact that when there was no delivery period stipulated in the agreement, a reasonable time has to be taken into consideration. In the facts and circumstances of this case, a time period of 3 years would have been reasonable for completion of the contract. " In view of the above-mentioned reasoning, the date of the execution of buyer's agreement dated 19.01.2012 ought to be taken as the date for calculating the due date of possession. Therefore,
