2. There is a move for settlement between the parties. It has been so stated on behalf of the respondent and that fact is denied by the learned counsel for the complainant and pleaded that there are instructions to proceed with the case as per law. Whatever may be the position, if there are remote chances of settlement, then, time for that purpose should be given. So far, settlement, if any, and for arguments, let the matter be put up on 18.11.2019.
