Proceedings

The registry of the authority has sent the notice through speed post as well as through email. Despite a number of reminders due service, the respondent builder failed to put an appearance to the averments made by the complainant. Though on the previous date planning/ engineering wing of the authority was directed to inspect the site and submit its report but that report has been submitted in one project only.

In absence of complete details of project and non-appearance of respondent builder the issues for adjudication cannot be dealt effectively. Hence in such a situation the presence of respondent builder to put up its case before the authority is must. Since, the respondent builder is avoiding put in appearance despite multiple opportunities, the authority in exercise of powers under section 35 of the Act, 2016, directs the respondent directors with the CFO to appear before the Authority alongwith relevant record of the case and status of the construction and other development works undertaken in the project and their likely date of completion on the next date of hearing.
