Since the Airports Authority of India says that a further four weeks' time will be needed to obtain the pre-feasibility study report conducted at the new site offered by the State for the greenfield airport project, let the matter appear immediately after the vacation in January, 2023.

The report should be circulated to the State and Mr P. Yobin, Amicus Curiae, a week prior to the matter appears in Court.

The State confirms that drone photography has been completed.

List on January 30, 2023.
