ORDER

1. The matter relates to discharge of sewage in the storm water drain passing through Malviya Nagar Vidhan Sabha (Shivalik, Lal Gumbad and Panchsheel Park) to Greater Kailash, Vidhan Sabha (Panchsheel Park, Shahpur Jat, and rainwater drain going toward Khelgaon) by joining sewer line to storm water drain by Delhi Jal Board (DJB).
2. The Tribunal by the previous order had formed a joint Committee with the direction to visit the site, collect relevant information and take appropriate remedial action, if violation of environmental norms was found. The action taken report dated 25.05.2023 has been filed by the District Magistrate (District South). The action taken report only refers to certain directions which have been issued but it does not very clearly disclose the finding of the joint Committee in respect of violation of the environmental norms and the allegation of joining of sewer line to storm water drain. The report also does not reflect any remedial suggestion.

3. In view of this, we have no option but to direct personal appearance of the District Magistrate (District South) and Executive Engineer, DJB by virtual mode on the next date of hearing.

4. List on 12.12.2023.

5. A copy of this order be forwarded to the District Magistrate (District South) and Executive Engineer, DJB by e-mail for compliance.
