Engineer, Lucknow Nagar Nigam

ORDER

1. The Tribunal is considering the issue of unscientific handling of waste at various dump sites in Lucknow and the steps, if any, taken by the Municipal Corporation, Lucknow for clearing this waste.

2. Shri Sanjeev Pradhan, Environment Engineer, Municipal Corporation, Lucknow is present today physically and he has informed that the total legacy waste existing within the limits of Lucknow Municipal Corporation is 18.5 lakh Metric Tonne and that the contract has already been awarded to M/s Bhumi Green Energy Private Limited for clearing this legacy waste and that the work has already been started from 12.03.2023 by M/s Bhumi Green Energy Private Limited for clearing this waste which is clearing it at the rate of 4000 MT per day and the

work will continue even during the rainy season and within 18 months the entire legacy waste within the limits of the Municipal Corporation, Lucknow will be cleared. He has also stated that daily generation of the municipal solid waste within the limits of Municipal Corporation, Lucknow is 2000 MT, out of which 1250 MT is remediated/processed every day and 750 MT of waste is added to the legacy waste. He has also stated that daily addition to the legacy waste will also be cleared within a period of 18 months.

3. In view of this, the Commissioner, Municipal Corporation, Lucknow is directed to file the progress report in the form of affidavit disclosing the progress made in the remediation of the legacy waste in the Municipal Corporation, Lucknow at least one week before the next date of hearing.

4. List on 20.09.2024.
