ORDER

1. Issue raised in this application is discharge of untreated sewage in the Historical Anasagar Lake, Ajmer causing serious health hazard to the local residents. After taking cognizance of the matter a committee was constituted to submit the factual and action taken report and further the State Pollution Control Board was directed to take action according to rules and to calculate the environmental compensation according to the parameter laid down by the CPCB.
2. Learned counsel for the State Pollution Control Board has submitted that State PCB has calculated the environmental compensation and notices have been issued but Municipal Corporation has filed some objections. In the meantime, vide order dated 19.01.2024, this Tribunal directed to calculate the environmental compensation for past violations.

3. Learned counsel for the State has argued that matter is still pending and to be finalized by the PCB after giving an opportunity of hearing to the aggrieved and to take decision for calculation of environmental compensation from the date of violation till continuous of the violation.
4. Accordingly, we direct the State PCB to finalize the matter after giving an opportunity of hearing to the municipal corporation and to submit the report within four weeks.

List it on **22nd August, 2024.**
