ORDER

1. The Executive Engineer, Municipal Corporation has filed the affidavit to the effect that one STP of 13 MLD at Annasagar and second STP of 20 MLD at Khanpura are functional and operational while third STP of 40 MLD is under construction and likely to be completed shortly.
2. In contravention of the above report, the State PCB has filed the report of the inspection in August, 2025 containing the facts that the Regional Officer visited the Annasagar lake and found that still at the time of inspection 13 Nallah were still falling into the lake. A self-contradictory report discloses that the affidavit submitted by the Executive Engineer is not correct.
3. We direct the Chief Municipal Commissioner to intimate and direct the Executive Engineer, who has filed the affidavit to remain present with all records and facts before this Tribunal to narrate the correct things.

4. In the meantime, one representative from the State Pollution Control Board, one representative from the District Collector concerned and one representative from the Municipal Council to visit the site and after inspection submit the factual and action taken report. Report be filed within 15 days.

List it on **14th October 2025.**
