ORDER

1. The issue with regard to non compliance of the EC conditions, extraction of ground water without any authority, non operation of STP, question of connectivity of the sewer line to the STP and Air pollution by operation of DG set was raised in this application.
2. In response to the above, the Learned Counsel appearing for Project Proponent has submitted that he is ready to complete the work with regard to connectivity of sewer line to the STP and further that the STP of 400 MLD capacity is under operation and second STP which is 1200 MLD is under completion. It is further submitted that the

residents/members of RWS did not permit Project Proponent to enter the premises thus Project Proponent is unable to complete the work.

3. We direct the work with regard to STP be completed within a time frame and to be monitored by the State Pollution Control Board and further progress be reported before the date of listing. The RWS members are directed to cooperate to the functioning and maintaining the STP.
4. The necessary actions or permission must be taken from the CGWA/Municipal Corporation. The State Pollution Control Board is directed to take necessary actions according to rules for violation of environmental laws. In the meantime, remedial measures must be taken. Further progress report be filed within four weeks.

List it on **15th October, 2024.**
