ORDER

1. Today, one Mr. Nithyavendan, Advocate undertakes to file a vakalat and report on behalf of the 6th Respondent/Narashimha Pujari in O.A. No.30 of 2023(SZ).
2. In the meanwhile, the Advanced Scientific Survey Report issued by the National Institute of Technology Karnataka, Surathkal is filed. At first glance, it appears that the report is not complete, as the Bathymetry Survey is not done that is also evident from the conclusion, wherein it is specifically stated that surveys for river bed profiling over a span of 5 Km upstream and downstream of the sand block will help track any alterations to the river's course and bed, offering valuable insights into the overall health of the aquatic ecosystem. However, the said survey is not done.
3. Let a further report be filed after the survey is done.

4. Post the matter on 06.05.2024.
