ORDER

1. Though the Karnataka State Pollution Control Board has filed its report stating that the Sewage Treatment Plant (STP) originally constructed was demolished and new STP was constructed towards the northern side of the construction, whether the construction is complete and operational is not known. If not, what is the action taken by the Karnataka SPCB, as it is stated that more than 230 units are there.
2. Let the 6th respondent also file its report stating how they are managing the residential apartments without the STP in place. Above all, whether originally consent was obtained for the STP and also for the revised STP in the relocated place.
3. Let all these particulars be furnished by the Pollution Control Board and the project proponent. Let the report of the other respondents also be filed before the date of next hearing.
4. Post the matter on 31.07.2023.
