ORDER

1. Due to the power outage, the matter could not be taken up through video conference to hear the others who are remotely connected.

2. However, the learned counsel appearing for the State of Kerala suggested that the 6th Respondent can give up a certain extent of land for the purpose of channelizing the water which is flowing as sheet flow, which inundates the colony as per the complaint of the applicant.

3. As this is not within the scope of this Tribunal, we direct the District Collector to speak to the Project Proponent and arrive at an amicable solution that would resolve the entire issue, as it goes to the root of violating the Environmental Clearance conditions also.

4. Let the matter be listed on **23.01.2025** for final hearing.
