ORDER

1. Today, there is no representation for the applicant.
2. The report was filed by the Commissioner - Avadi City Municipal Corporation dated 23.12.2023, wherein their action plan for treating the legacy wastes and daily generation of garbage is provided. The total wet waste and dry waste reported is about 180.739 Tonnes and there are about 15 MCCs. The details of MCC-wise garbage generation and collection centres are also indicated which are looked at in numbers each one with a capacity of 4 Metric Tonnes per day. The Resources Recovery Centre (RCC) which deals with the dry waste as a capacity of 10 Tonnes per day.
3. In addition to the above infrastructure, the Material Recovery Facilities and Micro Composting Centres are under construction under Swachh Bharat Mission in 6 more of the places. The legacy waste was treated and disposed of as per the Technical Guidance of the Centre for Environment Studies, Anna University, Chennai.
4. The remaining legacy wastes at dump yard that have to be treated are to be quantified through a consultant and then processed. However, they have not stated the time frame within which the work will be completed.

5. So, we direct the Avadi City Municipal Corporation while dealing and treating the legacy waste to address the current waste generated also parallelly and complete the process.
6. Let the matter be listed on **19.02.2023** for filing an additional report indicating the action taken and the timeline for completing the entire process.
