CORAM:

HON'BLE Smt. JUSTICE PUSHPA SATHYANARAYANA, JUDICIAL MEMBER

HON'BLE Dr. SATYAGOPAL KORLAPATI, EXPERT MEMBER

For Applicant(s): Mr. S. Kamalesh Kannan.

For Respondent(s): Dr. D. Shanmuganathan for R1.
Ms. E. Hima Rithika represented

ORDER

1. The Project Proponent (Respondent No.4) has filed an affidavit dated 26.08.2024, wherein it is stated that in compliance with our earlier order, the factory was inspected by

the officials of the Project Proponent and it was observed that the plant was established in the year 2010 and the capacity was expanded twice thereafter. Therefore, there is neither any provision nor any space to put up silos for the subject plant for handling the carbon black tankers.

2. Nonetheless, the respondent agreed to cut the jumbo backs into two pieces, after emptying and cleaning the same and then handover to the recycler for processing, which would curb the unauthorized use of the carbon black jumbo bags.

3. To be noted is that in their Andhra Pradesh unit, the Project Proponent handles carbon black only with bulk tankers, without giving any room for complaints.

4. Therefore, we direct the Project Proponent (Respondent No.4) to re-examine the possibility of usage of tankers or construction of silos to avoid such problems in future.

5. Post the matter on **17.12.2024**.
