ORDER

1. Today, the applicant has filed a reply to the inspection report of the Tamil Nadu Pollution Control Board (TNPCB) though not uploaded on the website. Along with the report, he has also filed test reports of the water samples taken at various points of the 3rd Respondent Company.
2. The learned counsel for the applicant has pointedly argued that the sample from the well water indicates that the Total Dissolved Solid (TDS) level is more than the acceptable limit. Prima facie it appears that the TDS level is 954 mg/L which is more than the acceptable limit (i.e. 500 Max) though not gone up to the permissible limit (i.e. 2000).
3. It is stated by the learned counsel for the 3rd Respondent that on the very same day, samples were taken by the Tamil Nadu Pollution Control Board also and sent for testing, the report of which is not before us.
4. The learned counsel for the Tamil Nadu Pollution Control Board seeks time to file a report.
5. Post the matter on **19.02.2024**.
