## ORDER

1. The objection of the applicant is that the municipal solid waste that is generated is being dumped inside the substation control room.
2. In this regard, he also invited our attention to a letter from the Assistant Executive Engineer dated 11.05.2023 addressed to the Superintending Engineer – Electricity Department, wherein it is specifically stated that the land identified for the purpose of establishment of resource recovery park is located very near to the substation control room and adjacent to the substation staff quarters.
3. He also further stated that he has identified two of the locations where it can be possibly shifted after necessary examination. The learned counsel appearing for the Government of Puducherry states that there is a meeting scheduled with all the stakeholders in this regard and the issue in question may be resolved in the said meeting and requests two weeks time.
4. Post the matter on **22.02.2024**.
