ORDER

1. The Commissioner of Tandur Municipality has submitted a report dated 31.05.2025. It is noted that, even after the third attempt, no bids were received in response to the tender notice. Consequently, the tender was closed on 28.04.2025. In this regard, the Superintending Engineer, Public Health – West Circle, Hyderabad, has addressed a communication to the Engineer-in-Chief, Public Health Department, seeking approval to issue a fourth tender notice, dated 28.04.2025.

2. The apparent reason for the lack of bidders seems to be the State-wide scope of the tender. It would have been more appropriate for the authorities to decentralize the process and issue tender notices at the district level. The authorities have decided now to float tenders in a decentralized manner, as reported by the learned counsel. Let the tender process be initiated and concluded before the end of July 2025.

3. List the matter on **04.08.2025**.
