ORDER

1. This miscellaneous application [M.A. No.12 of 2022 (SZ)] is filed by the applicant in the Original Application No.14 of 2022 (SZ) seeking a direction to the respondents Nos.2 to 5 to comply with the order of this Tribunal dated 14.11.2022.
2. An order was passed on 14.11.2022 in O.A. No.14 of 2022 (SZ) which was filed seeking a direction to take action against the project proponent who is also the Government of Telangana State undertaking for commencing an industrial park without obtaining the Environmental Clearance (EC).
3. When the matter was taken up on 14.11.2022, it was mentioned that the Environmental Clearance (EC) was obtained by them on 15.07.2022 and that the applicant herein has already made a separate challenge to the same. In view of the said fact, the Original Application was closed as infructuous.

4. Incidentally, the 4th respondent in the above Original Application had stated that it would abide by the instructions of the Government of Telangana and only after obtaining all the statutory permissions, lands will be allotted to the prospective entrepreneurs.
5. On the strength of the said reply given by the project proponent in the said Original Application which was closed as infructuous, the present miscellaneous application has been filed.
6. It is not in dispute that a separate appeal has been filed challenging the grant of Environmental Clearance (EC). Even if there are any violations of conditions of the Environmental Clearance (EC), it is open to the applicant to challenge the same in the manner known to law and cannot try to reopen the case which is closed as infructuous.
7. Hence, this miscellaneous application [M.A. No.12 of 2022 (SZ) in O.A. No.14 of 2022 (SZ)] is dismissed.
