Feeling aggrieved by the notification under provisions of Sikkim Forest, Water Courses and Road Reserve (Prevention and Protection) Act, 1988 read with Sikkim Forest Levy of Natural Water Tax Rules, 2015, whereunder the petitioner, a Hydroelectric Project, was made exigible to natural water tax, the petitioner has come up with this petition challenging the legality and validity of the provisions of the Act as well as notification issued therein.

During currency of the petition, the State Government has framed the Sikkim Forest Levy of Natural Water Tax (Amendment) Rules, 2017, which was notified on 15.04.2017, exempting all the Hydroelectric Projects from the purview of imposition of natural water tax and as such no grievance survive as on date.

Thus, the petition has become academic and infructuous, accordingly, dismissed as having become infructuous..
