O R D E R

On the last date, the arguments of learned Counsel for the Petitioners had concluded and the learned Advocate General had been heard in part. In the absence of certain documents it was agreed by the parties that on production of the documents, the hearing would resume. Inadvertently, this was not reflected in the Order dated 12.09.2019. Today, the learned Advocate General submits that the said document which is in fact a File, is untraceable and the records before this Court also reveal that efforts had previously been made to locate the File which however was untraceable in the Land Revenue and Disaster Management Department.

It is submitted by learned Counsel for the Petitioners that on account of the File remaining untraced, an FIR was lodged by the concerned Department before the Police Station, as per the instructions received by him.

In this view of the matter, let the State-Respondents furnish a copy of the FIR, before this Court and concerted efforts shall once again be made to locate the File in the concerned Department.
