Learned Additional Advocate General submits that so far as the identification of land for construction of Sub-Jail in North Sikkim is concerned, the process is still going on, in view of the fact that the earlier land identified for such construction was objected to by the owners.

In this context, Learned Additional Advocate General prays for and is granted four weeks' time to inform this Court with regard to identification of the land.

The Social Impact Assessment (SIA) is yet to commence with regard to the land in West Sikkim for construction of Sub-Jail.

Learned Additional Advocate General undertakes to inform this Court by the next date with regard to the progress in this context.
